

**Wolverhampton and Bilston AC Minutes for  
Meeting 10 May 2018**

<p><b>Minutes of previous meeting</b> - Minutes of previous meeting held on 12 April 2018 were approved by the Chair</p>
<p><b>Team Managers Report – Concerns re Midland League</b> LAG YDL at Stoke – Athletes did well, finished 3<sup>rd</sup> overall. No relay team for U13 boys. Athletes were a credit to the club UAG YDL at Stourport – women’s team did really well &amp; won the match. Senior Women’s – event was poor due to lack of athletes. 9 seniors who competed in both men and women who came last on the day. Club is too reliant on U17’s to compete for seniors. Currently Clova is having to text athletes and ask them to compete. This shouldn’t have to happen. Coaches need to give Track and Field managers more help. Athletes should let their coach know what events they wish to take part in, the coaches should then report back to Track and Field managers who should then be able to fill out the events for the season. The structure seriously needs to be looked at. Claudio Albanese is to take over the UAG YDL in place of John Abbiss.</p>
